

## 2012 League Strategic Goals

**Support Sustainable and Secure Public Employee Pensions and Benefits.** Work in partnership with state leaders and other stakeholders to promote sustainable and secure public pensions and other post-employment benefits (OPEBs) to help ensure responsive and affordable public services for the people of our state and cities.

**Promote Local Control for Strong Cities.** Support or oppose legislation and proposed constitutional amendments based on whether they advance maximum local control by city governments over city revenues, land use, redevelopment and other private activities to advance the public health, safety and welfare of city residents.

**Build Strong Partnerships for a Stronger Golden State.** Collaborate with other public and private groups and leaders to reform the structure and governance, and promote transparency, fiscal integrity and responsiveness of our state government and intergovernmental system.
