

HOUSING ALERT AND POTENTIAL SCAM WARNING

Beware of professional hotel scammers who may contact you claiming to be the League Housing Bureau/Service to help reserve hotel rooms in the vicinity of the Long Beach Convention Center.

They may say the League's hotel block is sold out or use some other ploy to book you into another hotel for a room that most likely does not exist. If you receive a suspicious email or phone call, please contact [Rebecca Inman](#) with as much information as possible.

The League housing block and expo-badging will open in June, 2019.

Once the housing reservation period has begun, you will automatically receive a registration link if your exhibit space has been paid in full.
