

## Summer Recess/End of Session Legislative Briefing

### Free Webinar for Members

Thursday, July 20, 2017

1:30 – 3:00 p.m.

Please join the League's Legislative team for a briefing on major bills that cities need to advocate for and against when the Legislature returns from its summer recess (July 21 – August 21).

This briefing is intended to help city officials focus in our effort to protect local authority and voice their support and opposition on key bills and regulatory activity. Many issues important to cities remain pending, so city officials should be ready for action.

Join the League's Legislative team for a briefing on priority bills and issues, including cap and trade, marijuana regulation, housing and land use, small cell siting, environmental quality, and public safety. This webinar will provide you with the information you will need to successfully advocate on behalf of your city.
